Providing legal counsel to clients in the area of civil litigation, with a particular focus on enforcement proceedings, insolvency matters, corporate restructuring, administrative offence proceedings, and disputes involving recourse to arbitration. Representing clients in the recovery of movable and immovable assets arising from financial leasing and ALD agreements.

## Experience

Experience in civil litigation, with a strong focus on pre-litigation and litigation support in mortgage credit processes and related matters, including declaratory actions, enforcement and tax proceedings, injunction procedures, inheritance proceedings, interim measures, insolvency proceedings, and special revitalization processes, working with credit institutions, investment funds, financial leasing companies, ALD providers, and other service entities.

Legal support in the legalization of real estate assets for subsequent disposal.

Advising on credit assignment transactions between investment funds and banking institutions.
