Sofia's practice focuses on taxation and tax litigation. She represents and advises national and international clients across various sectors and is currently preparing for admission to the Portuguese Bar Association.

Experience

Tax advisory services primarily for corporate clients, with a focus on VAT, Corporate Income Tax, property taxes, and tax incentive regimes.

Representation in tax litigation and administrative disputes, including arbitration proceedings and tax offence cases.

Liaison with the Portuguese Tax and Customs Authority in various matters, notably in the context of tax audits.

Participation in due diligence processes related to M&A transactions and real estate asset acquisitions.
